

ELECTRICAL ENGINEERING DEPARTMENT

Distinctive Program Attributes

1. Accredited with Pakistan Engineering Council under Washington Accord
2. International Students Exchange Program
3. Foreign Qualified PhD Faculty
4. Paid Internship to all Students
5. Confirmed Merit based Job Placement In National and Multinational Companies
6. Scholarship Opportunities for High Achievers
7. Industrial Collaborated Research Projects
8. Vibrant Extracurricular and Co-curricular Activities

Scholarship

Marks in Intermediate	Scholarship on Tuition Fee (First Semester)
%age marks	
85% and Above	100%
80% to 84.99%	65%
75% to 79.99%	35%
70% to 74.99%	25%
60% to 69.99%	20%

Eligibility Criteria

- ✓ F.Sc Pre-Engineering or Pre-Medical
- ✓ ICS (Intermediate in Computer Science)
- ✓ DAE in relevant field
- ✓ A-Levels
- ✓ Any other equivalent Degree.

Admissions Open BSc Electrical Engineering

with a Special Focus on

- Artificial Intelligence, Machine Learning and Deep Learning
- Signal and Image Processing
- Microwave and Millimetre Wave Systems
- Laser Sensors
- Power Efficient High-Performance Computing
- Advanced Encryption/Decryption Schemes for Data Security
