

RIPHAH
INTERNATIONAL UNIVERSITY

MPhil Physics PhD Physics

HEC Approved Programs

Major Research Groups

- Experimental and Theoretical Materials Science.
- Nanotechnology.
- Computer Simulations.
- Quantum Optics and Plasma Physics.
- Solar cells, Energy Storage Devices.

Career Opportunities

- Job opportunities in Research Organizations (e.g. SUPARCO, PAEC, CERN)
- Telecommunication sector.
- Academia and industry

Eligibility Criteria:

- For MPhil Physics
16 Years of Education (BS/MSc) in the field of Physics with minimum CGPA 2.00/4.00 or 50% marks.
- For PhD Physics
18 Years of Education (MS/MPhil) in the field of Physics with minimum CGPA 3.00/4.00.

Distinctive Attributes of Programs

- Weekend program with flexible timings.
- Highly qualified National & International PhD qualified faculty.
- High quality research publication.
- International Collaborations
- Major contribution of publications and citations in university.

CGPA obtained (CGPA-based system)	Range of marks obtained (for Annual/Percentage based system)	Scholarship on Tuition Fee (First Semester)
3.90 to 4.00	80% and above	100%
3.75 to 3.89	75% to 79.99%	50%
3.50 to 3.74	70% to 74.99%	25%
25 % off: Alumni Scholarship on tuition fee
