INTERNATIONAL HAPPINESS SUMMIT 2021

On Tools of Happiness During Pandemic

The International Day of Happiness is celebrated throughout the world on the 20th of March.

The General Assembly of the United Nations in its resolution 66/281 of 12 July 2012 proclaimed 20 March the International Day of Happiness, recognizing the relevance of happiness and well-being as universal goals and aspirations in the lives of human beings around the world and the importance of their recognition in public policy objectives. It also recognized the need for a more inclusive, equitable and balanced approach to economic growth that promotes sustainable development, poverty eradication, happiness and the well-being of all peoples.

Riphah Institute of Lifestyle Medicine (RILSM) in collaboration with Pakistan Association of Lifestyle Medicine (PALM) Organized First Ever Online International Happiness Summit 2021 "Tools of Happiness during Pandemic" dated on 20th and 21st March 2021. Twenty-Two well-known National and International Speakers participated and shared their

valuable experience about the importance of Happiness.

Dr Liana Lianov, Dr Robert Iusting, Antonio Santos, Dr Nicole, Rafiq Jaffar, Dr. Shamylla Samad, Nafeesa Anayatullah Khan Khattak, MNA, Fatima Shafique, Dr Ambreen Haider, Samia Khalid, Dr Yashoda, Ayesh Noorani, Simi Raheel and Samar Hashmi were included in the list of honorable speakers who had illuminated the topic.

Hundreds of people had actively participated in the summit and it had also been appreciated by the audience through their kind messages.

Vote of thanks

The organizers (Dr Shagufta Feroz (Director RILSM) and her team members) of the summit had been prized with words of appreciations by Prof. Dr Gen. Azhar Rashid (Dean and Principal IIMC) and Mr Hassan Muhammad Khan (Chancellor Riphah International University) for successfully organizing the summit.

Current pandemic created an urgent need to learn how to be happy.

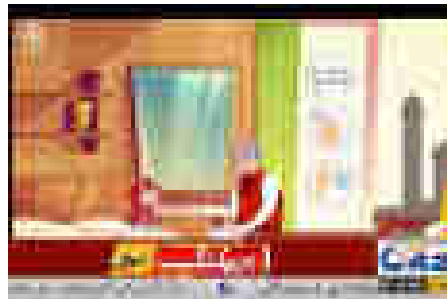

I highly appreciate the efforts of PALM and RILSM to organize this summit for professionals and public.

Mr. Hassan Muhammad Khan
Chancellor, Riphah International University

SDPI Arranged Training Session On Managing Stress To Improve Work Efficiency

Learning & Talent Management Unit strives to cater learning needs which are identified during analysis for University, RHS and Corporate Functions.

This two-day external training was arranged by SDPI (Sustainable Development Policy Institute). This training was a unique opportunity to know the useful tips to manage stress in crisis like COVID-19, increase work efficiency for new earnings opportunities and have a healthy and peaceful life. Knowing the root causes, how stress affects someone's health and disturbs personal and professional life? And How stress affects job efficiency and increases job insecurity were the major areas of the training.

HDS Organized Session On Negotiation Skills & Conflict Management

The training program was conducted by Dr. Ali Raza Nemati who is an Internationally Certified Trainer and Human Resource Practitioner. This training had specifically been designed to help the participants to change participants to change their mind frames and perspectives to think and speak effectively.

Facilitator provided the opportunity to the participants to dive deeper into the issues and come up with healthy solutions. A very interactive session ended up with the positive feedback of the participants.

Financial Modeling by Dr. Munir Khan

This Excel-based class provided a non-academic, real-world, hands-on primer to the quantitative and technical aspects of financial modeling. Facilitator Dr. Munir Khan, focused on the fundamental building blocks, both from a technical Excel

efficiency perspective, as well as best practices of financial modeling approach. During the session he focused on the true essence of the financial Modeling to build confidence in participants.

HDS AND TALENT MANAGEMENT UNIT

This year HDS department in the possible shortest span of time has successfully gone through Selection Board and Selection Committees to fulfil the needs of the respective faculty(s) Alhamdulillah. Overall, in Selection Board & Committees, total 3,445 CVs are received, 551 candidates have been shortlisted. After Initial screening, 198 candidates were interviewed and 76 candidates have been offered successfully filling the vacant positions. This translates into highly competitive 2.2% of the final selection out of the originally applied. HDS is using the following media for the Talent hunt:

- Newspaper ads.
- Social media campaigns.
- LinkedIn Channel
- CVs from the market through references including Deans/Directors and different universities.

We remain grateful to all Deans/Directors for the great support, especially led by the VC Sb and ED Sb. In all hiring cases, workload was thoroughly reviewed by HDS including supervision load and other key variables including new program offerings in line with the 5 years strategic plan of each Faculty. Majority have undergone

the Orientation Learning Session (e-sessions) and JDs have been shared with the new employees.

NCUK RIPHAH ARRANGED INNOVATIVE OUTREACH INITIATIVE WITH PARTNER UNIVERSITIES

NCUK Riphah Placement office arranged an innovative outreach initiative with its partner Universities from New Zealand and UK to endorse management vision of internationalization from its platform of connectivity.

Mr. Richard Witts from WAIKATO University Vice Chancellor Office New Zealand, presented to the audience of Cambridge counsellors & students the

importance of Higher Education development in the current scenario along with the process of placement. He had also provided the details of the benefits of NCUK partnership to counsellors looking for a Guaranteed place in Business, Medicine & Engineering.

Occupational outlook in New Zealand specially in Engineering & Software was impressively discussed with special scholarship offers for NCUK students while selecting their University degree. NCUK Placement office with Manchester Metropolitan University (MMU) International progression office (Susan Kearvell, Dr. Florencia Frances china) organized with support from MMU School of Business & Innovation, and School of Engineering & Science another innovative session with leading researchers and our counsellors/students (from NCUK, Pak Turk School, Beaconhouse & City School).

RIPHAH INSTITUTE OF PUBLIC POLICY LAUNCHED BOOK ON KASHMIR

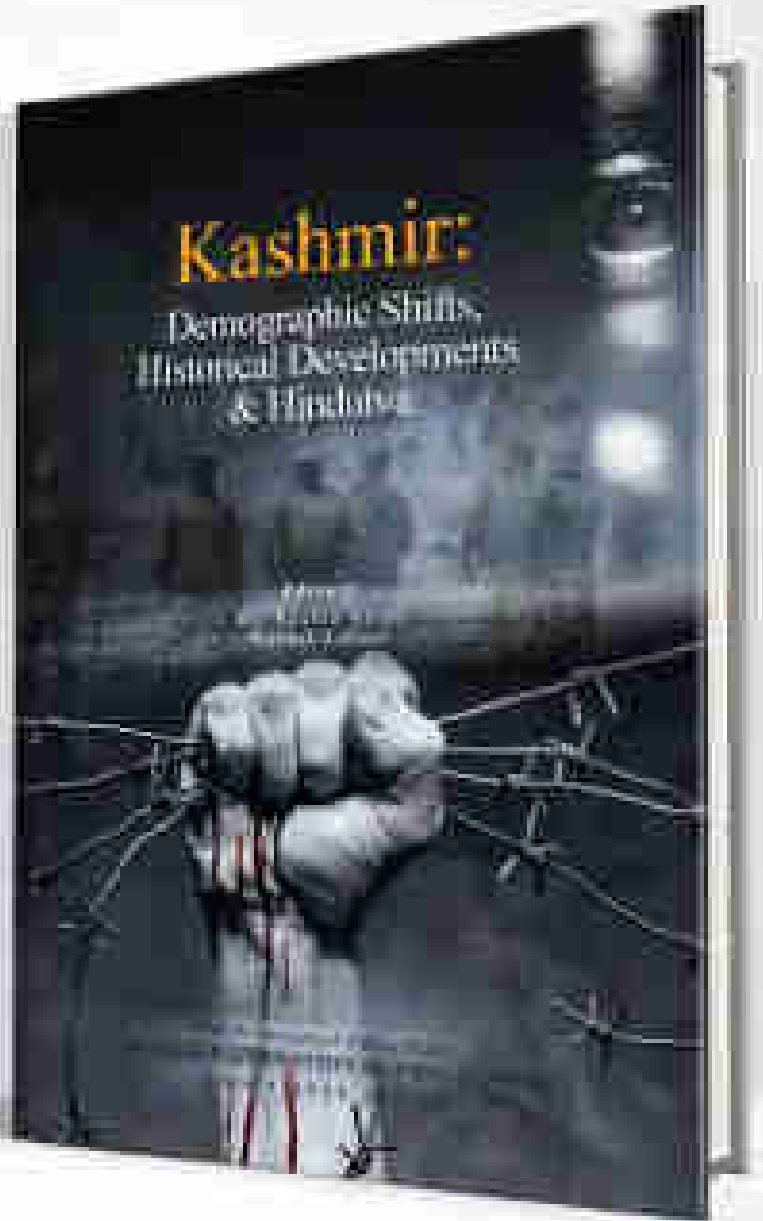

After the revocation of the semi-autonomous status of the Indian occupied Kashmir by Indian Regime, they also scrapped the local special citizenship law, guaranteed under Article 35 (A) of the Indian constitution. Thousands of Indians have been granted domicile certificates of the valley. This is a plan to shift the demography of the region having very significant implications for the partition plan of 1947 and proposed plebiscite.

Considering the fragile situation in Kashmir and to develop an academic narrative, Riphah Institute of Public Policy (RIPP) decided to write a book entitled "Kashmir: Demographic Shift, Historical Developments and Hindutva".

Kashmir Committee of Parliament House appreciated the efforts of Riphah University and decided to officially launch the book through the platform of the Parliament as an official partner of Riphah as this will be a national contribution of the University to the cause of Kashmir. The launching ceremony of the Book/Monograph was held on the 14th April, 2021 at Jammu Kashmir House, Islamabad.

Mr. Shehreyar Khan Afridi, Chairman, The Parliamentary Special Committee on Kashmir was the Chief Guest on the Occasion and launched the book in the presence of; authors, editors, youth activists, academicians, and scholars. More than 12 TV Channels aired the session live in their respective bulletins.

Dr. Waleed Rasool (Head of Academics, Kashmir Committee) gave an opening statement and followed by the welcome note by Dr. Rashid Aftab, Director, RIPP on behalf of Riphah and spotlighted the think tank activities

of RIPP-Riphah. Talking about the book he said, the book is an effort of Riphah to help the government and its Kashmir policy to account for various critical aspects stressed through various chapters of the book includes; Demographic Shift, Indian Interventions and contemporary developments, Basic of Kashmir Economy, Kashmir and Historical Developments, Demographics of Kashmir, Implementation of law for extra-Judicial killings, Hindutva's Desire of Demographic Change in Indian Occupied Jammu and Kashmir, Hindutva and BJP Nexus, Changing Demography Absorbing J&K, Kashmir Dispute and Risks of Nuclear Conflagration in South Asia and Indian Conventional and Nuclear Doctrines.

Mr. Kashif Zaheer was of the view that it is highly commendable that in addition to the students of RIPP more than 100 activists from different youth organizations joined the book launching ceremony which will strengthen the Kashmir narrative through the mobilization of the youth.

Mr. Shehreyar Khan Afridi appreciated the Riphah and

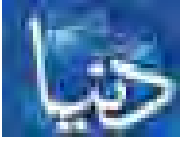

authors/editors of the book for their efforts as national contribution. He said, Indian Government is implementing the vicious plan of economic terrorism in Kashmir. This book is the proof that, our academic community is highly empowered and capable to unveil the notorious Indian plans and designs of demographic shift in Illegally Indian Occupied Kashmir.

The philosophy of Hindutva is one of the main driving force behind the expansionist policies of India in the region. The Indian government is working to place the hybrid culture to undone the identity and culture of Kashmir. It is duty and responsibility of all academicians, activists and social media user to plead the cause of Kashmir by highlighting its identity and tradition. Prime Minister of Pakistan Imran Khan is fighting the case of Kashmir at every

forum around the globe. We can't get engage with India at the cost of Kashmir. Our politicians, bureaucracy and army are united on the same page. He further added, the reasons of Muslims decline around the globe were lack of unity among them. Indians are changing the demography of Kashmir.

There is severe violation of human rights. The minorities are not safe due to extremists in the India. He said that India can no more keep its illegal occupation of Jammu and Kashmir intact and the United Nations Security Council (UNSC) should materialize its commitment to hold an impartial and free plebiscite to decide about their fate independently. He said Pakistan would keep exposing the Indian expansionist agenda and can no more mislead the world about its expansionist designs in IIOJK.

بھارت کشمیریوں کے خلاف منظم معاشی دہشت گردی میں ملوث ہے، شہر یار آفریدی

بھارت مقبوضہ جموں کشمیر میں جمہوری و ثقافتی دہشت گردی، کشمیریوں کی نسل کشی اور انفارمیشن دہشت گردی کا مرتکب ہے، اسلام آباد چیئر مین پارلیمانی کمیٹی برائے کشمیر شہر یار خان آفریدی نے ہندوستانی پیشہ ورانہ حکومت کو مورد الزام ٹھہرایا کہ وہ غیر قانونی مقبوضہ جموں و کشمیر میں کشمیریوں کے منظم معاشی قتل کے شیطانی منصوبے پر عمل پیرا ہے، کشمیر کونسل میں کشمیر، ڈیوگرافٹ شفٹ، تاریخی پیشرفت اور ہندوتوا کے عنوان سے کتاب کی رونمائی کی تقریب سے خطاب کرتے ہوئے شہر یار خان آفریدی نے کہا کہ یہ کتاب اس حقیقت کی عکاسی ہے کہ پاکستان کے اکیڈمیز نے کس طرح کشمیریوں کی نسل کشی میں ہندوتوا حکمرانوں کے مظالم کی داستان اور کشمیر پر ہونے والی پیشرفتوں کو زندہ رکھا ہے۔ ڈاکٹر کاشف ظہیر، ڈاکٹر راشد آفتاب اور دیگر کی تصنیف کردہ اس کتاب میں بھارتی مقبوضہ کشمیر میں ہونے والے ہندوستانی جنگی جرائم کا ایک خاص حوالہ دیا گیا ہے اور بتایا گیا ہے کہ کشمیر میں رونما ہونے والی آبادیاتی تبدیلیوں، تاریخی پیشرفتوں اور ہندوتوا حکمرانوں کے ذریعہ کشمیر پر حملہ کیا جا رہا ہے۔

انہوں نے کہا کہ بھارت کشمیریوں کے حق خوار ادیت کو نظر انداز کرنے اور کشمیریوں کی سیاسی قیادت کو سلاخوں کے پیچھے ڈالنے کے بعد اب کشمیریوں کے منظم معاشی قتل میں ملوث ہے۔ انہوں نے کہا کہ بھارت مقبوضہ جموں کشمیر میں جمہوری و ثقافتی دہشت گردی، کشمیریوں کی نسل کشی اور انفارمیشن دہشت گردی کا مرتکب ہے۔ انہوں نے نو جوانوں پر زور دیا کہ وہ کشمیریوں کے سفیر بنیں اور بھارت کی غیر قانونی مقبوضہ حکومت کے کشمیریوں پر ڈھائے جانے والے مظالم کو دنیا تک پہنچائیں۔ انہوں نے کہا کہ ہالف ویڈیوز کی حقیقت دنیا کے سامنے رکھنے کی ضرورت ہے اور کہا کہ وہ ہیلت گز جن کو جانوروں کے خلاف استعمال کرنے پر پابندی عائد کی گئی، وہی گز کشمیریوں کے خلاف آزادانہ طور پر استعمال کی جا رہی ہیں۔ انہوں نے کہا کہ دنیا کی پراسرار خاموشی انسانیت کے لئے ایک بہت بڑا سوالیہ نشان ہے اور ترقی یافتہ ممالک کو تجارتی اور مارکیٹ مفاد کی خاطر انسانیت پر سمجھوتہ نہیں کرنا چاہئے۔ شہر یار خان آفریدی نے کہا کہ بھارت یو اے پی اے کے سخت اور کالے قوانین کا غلط استعمال کر رہا ہے اور نو جوانوں کو بغیر کسی مقدمے کے پکڑا، قید اور قتل کیا جا رہا ہے۔

انہوں نے کہا کہ وزیراعظم عمران خان نے تمام دستیاب بین الاقوامی فورموں پر مؤثریت اور مضبوطی سے تنازعہ کشمیر کو اجاگر کیا ہے۔ انہوں نے کہا کہ ہندوتوا کی حکومت کشمیریوں کی شناخت اور کشمیر کے ثقافتی ورثے کو ختم کرنے کی پوری کوشش کر رہی ہے اور اس کی جگہ غیر قانونی مقبوضہ جموں و کشمیر میں ہندو مذہب کی ایک نئی اور باہر ڈ ثقافت لائی جا رہی ہے۔ انہوں نے مصنفین، فنکاروں، گلوکاروں، اداکاروں اور بلاگز پر زور دیا کہ وہ کشمیری ثقافت اور شناخت کو فروغ دینے اور اس کی پیش کش کے لیے مواد تیار کریں۔ انہوں نے کہا کہ وزیراعظم عمران خان کی قیادت میں پاکستان کشمیر کے مقصد کے حصول کیلئے ہر طرح کی جنگ جاری رکھے گا اور یہ کہ مسئلہ کشمیر کی قیمت نہیں لگائی جائیگی۔ انہوں نے کہا کہ ملک کی پوری سیاسی، فوجی اور بیوروکریٹک قیادت متفقہ ہے کہ کشمیر پر کوئی سمجھوتہ نہیں کیا جائیگا۔ انہوں نے کہا کہ یہ وزیراعظم عمران خان ہی تھے جنہوں نے سینئر کشمیری حریت رہنما سید علی گیلانی کو نشان پاکستان دیا اور کوئی بھی سید علی گیلانی کی سلیمیت پر سوال کرنے کا تصور نہیں کر سکتا تھا۔ انہوں نے کہا کہ وقت آگیا ہے کہ پاکستان اور کشمیر کے نو جوانوں کو کشمیر کے سفیروں کی حیثیت سے کام کرنا چاہئے اور اسے ڈیجیٹل اسپیس پر پیش کریں تاکہ کشمیر کے بارے میں جھوٹے اور جعلی بھارتی پروپیگنڈوں کا مقابلہ کیا جاسکے۔ انہوں نے نو جوانوں پر زور دیا کہ وہ انفارمیشن ٹکنالوجی کے ٹولز تیار کریں تاکہ کشمیریوں کی آواز کو اجاگر کرنے میں مدد دی جاسکے اور ڈیجیٹل اسپیس پر کشمیر سے متعلق بھارتی جعلی خبروں کا مقابلہ کیا جاسکے۔
