

Mission

Our mission is to provide Pakistan with competent and empathetic dentists, who understand their social and professional responsibilities, and practice evidence-based dentistry by exhibiting Islamic ethical values as leaders and members of the community.

Vision

To be a premier institute in training & grooming doctors of impeccable professional ability with exacting standards of moral & ethical values to exercise excellence in providing healthcare & practicing medical sciences and are acclaimed nationally as well as internationally.

History

Islamic International Dental College & Hospital was established in year 2001 to contribute the community needs of Rawalpindi / Islamabad and the northern areas of Pakistan in the field of dentistry.

The college started as a dental section of Islamic International Medical College with 50 admissions annually and it became an independent college later in the year 2006. The college is now accredited by PMDC for 75 admissions per year. 1st batch of BDS students graduated in 2005 and till today sixteen batches have been graduated.

Islamic International Dental College & Hospital is offering undergraduate program BDS and postgraduate programs in clinical / basic sciences.

Principal

Prof. Dr. Ulfat Bashir Raja

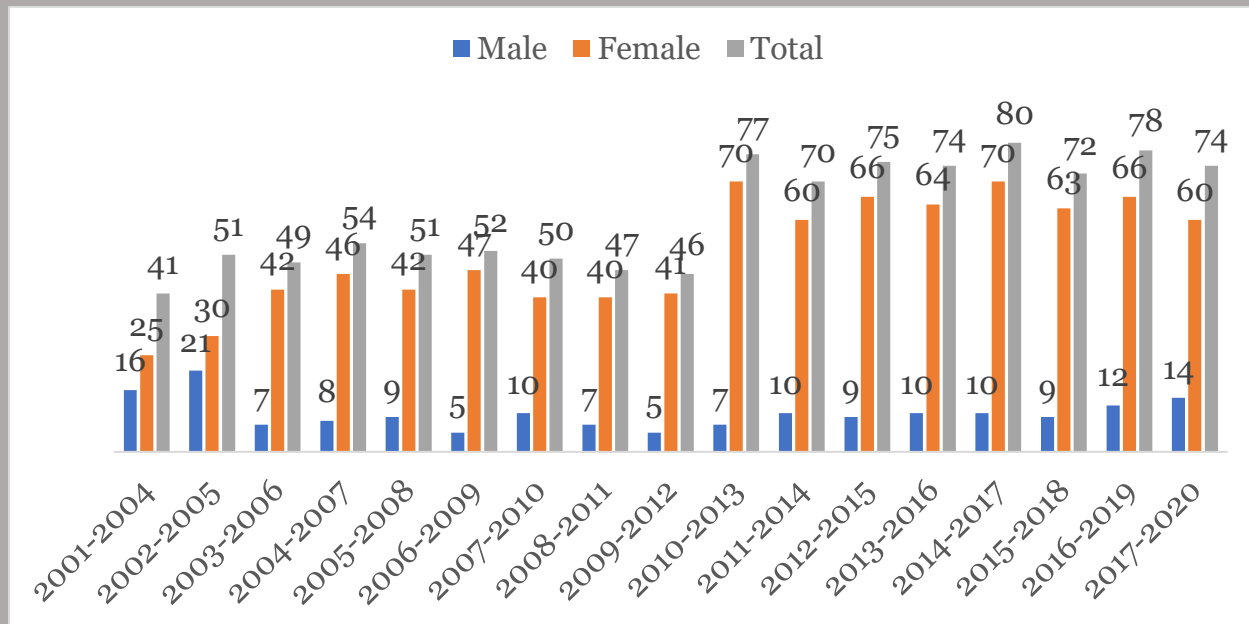

BDS, MCPS, FCPS, MHPE

Milestones of Islamic International Dental College

Description	Date
BDS classes started	Feb 2001
Provisional recognition	06 / 04 / 2002
Inaugural ceremony of Dental section	29/ 07 /2002
PMDC approved IIDH to start House job	19 / 08 / 2005
FCPS Orthodontics started	2005 / 2006
M. Phil in Community Dentistry	2006
FCPS Operative Dentistry started	2007
1 year provisional recognition only for house job	17 / 04 / 2006
Dental section became an independent dental college IIDC	01 / 08 / 2007
PMDC allowed BDS seats 50 to 75	26 / 11 / 2009
Assistant director general health letter to WHO representative in Pakistan to include IIDC in WHO directory of medical schools.	30 / 09 / 2010
Focal person of WHO sent e-mail with proforma for including IIDC name in WHO	01 / 03 / 2011
Acting Principal of IIDC letter to PMDC for gazette notification and inclusion the name of IIDC in the 5 th of PMDC ordinance 1962.	30 / 04 / 2011
Acting Principal letter to PMDC regarding change in the Institution name as IIDC	07 / 06 / 2011
Inspection date communicated by PMDC for postgraduate programs at IIDC	05/12/2012
Approval of postgraduate programs at IIDC by PMDC	28/12/2012
FCPS Oral & Maxillofacial Surgery started	2012-13
Postgraduate (MDS Orthodontics & M. Phil Dental Materials) classes started	01/04/2013
MDS Operative Dentistry approved	02/03/2015
Integrated Curriculum Started	01/01/2016
FCPS Prosthodontics started	04/01/2016

Postgraduate Programs

IIDC offers MDS program in Orthodontics, Operative Dentistry and M. Phil Dental Material recognized by HEC and PM&DC.

**Auxiliary programs****PARAMEDICAL PROGRAMS**

1 Year Certificate in
DENTAL SURGERY ASSISTANT
Eligibility: Matriculation

2 Year Associate Degree in
DENTAL HYGIENIST
Eligibility: FSc with minimum 45% Marks

1 Year Certificate in
DENTAL LABORATORY TECHNICIAN
Eligibility: Matriculation

2 Year Associate Degree in
DENTAL LABORATORY ECHNICIAN
Eligibility: FSc with minimum 45% Marks

GLIMPSES OF ISLAMIC INTERNATIONAL DENTAL COLLEGE & HOSPITAL

General Pathology laboratory for the pathologic evaluation of human tissues in line with the modern and up to date practices.

Bio-Chemistry laboratory, the undergraduate dental curriculum requires the development and use of unique and sophisticated techniques and instrumentation.

Anatomy and Histology Laboratory is equipped with the models and microscopes for the proper teaching of undergraduate dental students along with the state of the art 3D virtual dissection table with proper licensed softwares.

Physiology Laboratory is equipped with tools and instruments required for the students practice in line with the latest modular curriculum.

Skill Laboratory: Phantom head Laboratory, is the most important resource for a dental college; as this resource is used to practice and refine dental procedures before advancing onto real live patients. This state of the art skill lab is in line with the requirements of Modular curriculum.

Oral Pathology: This laboratory has all the necessary tools and equipment to diagnose any oral anomaly through tissue samples, and to teach the third year dental students the practical knowledge implied in the subject of Oral Pathology

School visit by students under-supervision of teachers

The department of community dentistry, Islamic international dental college, visited Army Public School (DHA-1 Campus) on 11th November, 2021. A total of 73 students from second year BDS and 13 house officers examined 1500 school children, and recorded their decayed, missing, filled teeth (DMFT) index.

The department of community dentistry, Islamic international dental college, visited Fatima Public School, Burma town on 18th November, 2021. A total of 65 students from second year BDS and 20 house officers examined 1400 school children, and recorded their decayed, missing, filled teeth (DMFT) index.

New equipment installed at IIDH

3D CBCT

Soft tissue laser

New Dental Chairs

Bio art Brazilian face bows and Hanau articulator
